Sec. 8-5-1 Title.

This chapter shall be known and referred to as the “City of Wrens Abandonment of Vehicles Regulation Ordinance.”

Sec. 8-5-2 Purpose.

In the City of Wrens vehicles are or may be abandoned in the future in the streets and other places within the City. There are or may in the future be dismantled, partially dismantled, wrecked, junked, non-operating or discarded vehicles left about the City other than in junk yards or other appropriate places. Such conditions tend to impede traffic in the streets or interfere with the enjoyment of and reduce the value of private property; invite plundering; create fire hazards and other safety and health hazards to children as well as adults; and interfere with the comfort and general welfare of the public. This chapter is adopted for the physical and economic growth of the City as will best promote the public health, safety, morals, convenience, prosperity, and general welfare of the citizens of the City, and for the purpose of protecting the public. Adequate protection of the public health, safety and welfare requires that such conditions be regulated, abated or prohibited.
